Traveling from Route 93/95 North/128 North:

Traveling on Route 93, take exit 37A (Route 128 North/95 North). Stay on Route 128/95 for approximately 5 miles. Take exit 42 (Salem Street/Wakefield). Take a left off the ramp. Go past a Sunoco Station on your left and a Wal's Cleaners on your right. Hayes Engineering is approximately 100 yards ahead on the left, across the street from the Rental Equipment Company. There is a small brown sign that reads 603-605 Salem Street marking the driveway. If you make it to the Wakefield/Lynnfield town line, you have gone too far.

Traveling from Route 95 South/128 South:

Traveling south on Route 95, take exit 43 (Walnut Street). Take a left off the ramp. At the lights, take a right onto Salem Street. On the left you will pass an Eastern Bank, which brings you to the Lynnfield/Wakefield town line. Hayes Engineering is approximately 20 yards after the town line, on the right (across the street from the Rental Equipment Company). There is a small brown sign that reads 603-605 Salem Street marking the driveway. If you make it to the Sunoco station you have gone too far.

Traveling from Logan Airport:

Go north on Harborside Drive, toward Porter Street. Turn right onto Lower Terminal Road. Turn left onto Central Parking, then another left onto Airport Exit. Airport Exit turns into Route 1A North. Go 2.4 miles and take a left onto Routh 1 North, then an immediate left onto Route 60 West. At the roundabout, where you will take the first exit onto Route 1 North.

You will stay on Route 1 North for 4.6 miles. Turn right onto Walnut Street and follow for just under 2 miles until you get to Salem Street. Turn left onto Salem Street. On the left, you will pass the Eastern Bank, then you will get to the Wakefield/Lynnfield town line. Hayes Engineering is about 20 yards after the town line on the right side of the street (across from the Rental Equipment Company). There is a small sign that reads 603-605 Salem Street marking the driveway. If you make it to the Sunoco Station, you have gone too far.
